

**ANSWERS TO RFP PRE-BID QUESTIONS**  
**ERP-RFP # 10057706**  
**Ecosystem Restoration Program – Contract Management Services**

<b>Date</b>	<b>Questions</b>	<b>Answer</b>
9/17/02	1. Do you currently have a contractor performing the services advertised for on the RFP.	Yes we do. We encourage firms to submit their response and would like to award the contract to the most responsive bidder.
	2. Will a list of bid holders be available?	Yes, the list is attached to this addendum.
	3. Will there be pre-bid conference?	No
	4. Will there be only one contract awarded for this RFP?	Yes
9/17/02	5. We are a construction management firm, would we be qualified to bid on this RFP.	The RFP clearly specifies minimum qualifications. If you firm meets the qualifications and experience requirements indicated in the RFP, then your proposal will be accepted and evaluated using the evaluation criteria.
9/17/02	6. Will a list of bid holders be available?	See item # 2
	7. Does the RFP require small business participation?	No. Being a small business is not a requirement to participate in the bid. However, Small Business Preference will be applied to the cost component calculation of all eligible responses received.
	8. What localities will the projects be located?	Projects will be located throughout the Ecosystem Restoration Program Study Area. You can view a map of the study area on line at: <a href="http://calfed.water.ca.gov/Programs/EcosystemRestoration/adobe_pdf/304d_Figure1_ERP_StudyArea.pdf">http://calfed.water.ca.gov/Programs/EcosystemRestoration/adobe_pdf/304d_Figure1_ERP_StudyArea.pdf</a>
	9. Are the projects primarily located in the Northern, Central, or Southern California?	Same response as Ques # 8. <a href="http://calfed.water.ca.gov/Programs/EcosystemRestoration/adobe_pdf/304d_Figure1_ERP_StudyArea.pdf">http://calfed.water.ca.gov/Programs/EcosystemRestoration/adobe_pdf/304d_Figure1_ERP_StudyArea.pdf</a>
10/1/02	10. Is this RFP just for managing contractors or does it include managing the various contractor projects?	Contract services would include programmatic and fiscal oversight. Technical evaluation of deliverables and performance will be the responsibility of the CALFED Bay-Delta Program.
